Just two and a half hours from Melbourne, you can be in remote wilderness and tick off a world walking icon on the Twelve Apostles Lodge Walk. In four days and over 55km, the walk highlights the best and most remote sections of the trail. Explore marine sanctuaries, wild coastal walks, old-growth rainforests and beaches that are as remote as they are empty.

Accompanied by a guide who is committed to providing the best Australian walking experience, you will be safely escorted along the trail, hearing stories of shipwrecks and adventure while facing the wild Southern Ocean head on. Your experience is complemented by our chef designed menu, showcasing fabulous regional food and, of course, some of Victoria's best wines.

Unique to Twelve Apostles Lodge Walk is the exclusive hiking lodge, built to be your home away from home.
